Lenten Study Series Wednesday 10:00am

We're spending time this season of Lent with the story of Eve and Adam, looking down beneath the layers of original sin to other fruits that live within the text, including our human experience of physical, emotional and spiritual hunger, our human desires and longing. We are engaging the scripture through the musings of Jan L. Richardson, a United Methodist minister, and through a different prayer practice each week. Through our conversations we listen for words God speaks into our own lives and the life of our congregation as we prepare for visioning. "Where the hunger of the world beyond you meets the hunger of the world within you: may you find yourself in this place." Jan Richardson

United Church Cluster Gathering May 11

A Cluster Gathering will be held at Duncan United. We are looking for five-ish people from Christ Church Gabriola who would like to participate. At this gathering we will be making some more concrete plans to be a cluster.
