

Church Announcements

We are currently in a season of prayer as we prepare for our visioning process. Karen invites you to try breath prayer: choose a short phrase to pray with and inhale while silently reciting roughly half the syllables, and exhale while silently reciting the remaining syllables. The core of our community prayer is for God to speak to us God's call for us. One might use the breath prayer in this way: (breathe in) God speak to us ...(breathe out) your call for us. Try praying this for 5 or 10 min during your normal prayer time or take a short break in your day and try this prayer. More prayers like this can be found in the prayer guide available in the hall.
