## Church Announcements

### **Prayer Area**

At the back of the sanctuary is an area for prayer, where we are encouraged to put prayers and fruits of prayer up on the wall for all of us to consider. There is a basket for prayers and thoughts for God and the visioning team to see. You're also have available a locked box for prayers (about visioning or otherwise) that only God will see. Finally, if you can't find the words, you can enter the prayer space and light a candle.

### **Connections**

In the hall is a large map of our Gabriola home. The exercise is to find your plot of land on the map and pin your name to that place. Then use blue yarn to connect your name with 3 areas of the church in which you are involved; and red yarn to connect your name with 3 organizations around the island in which you are involved. We are creating a visual representation of our relationships and connections around the island, for the purpose of lifting up who we are as we seek our call from God.
