Dear Christ Church Gabriola,

It is a happy day as I received your letter, how are you all? Happy you are all fine. If you ask me we are fine too although a storm has just passed in our country many flashfloods thankfully our place is safe. Hoping for have a fine weather. Oh what is the weather in your place now? Hoping no forest fires.

Is there many big big trees in Gabriola Island? Is see on the letter you sent the 4 seasons in your country. What's your favorite season? As there are many tourists it must be very beautiful, in our place we are near the beach, a clear water. As you have program every Friday free meal and playing music, who usually eats? Are there also children like me? Or students? How thoughtful of you all for doing that.

It is July now and it is Saturday as I write this, I am thankful to Plan Pilipinas as when I start the classes I received school supplies I used them now in school. After I write my letter I will play outside with my friends. What do you do as of this time? I am hoping that you are enjoying the rest of your day. By the way I am in Grade 8 now, my favorite subject is Filipino or Tagalog our National Language too. Thank you and take care my sponsor parent Christine.

Your Sponsored Child,

Nemo Globio
